

CHMELAŘSKÉ MUZEUM ŽATEC

- The Hop-growing Museum in Žatec (Saaz) is the largest exhibition of its kind in the world.
- Covering 4,000 sq m, it presents the development of hop-growing from the early Middle Ages to this day.
- You will learn why the best hops in the world are grown in Žatec.
- After a single visit you will remember the smell of hops. You can quench your thirst in the city where beer and hops are at home.

NORTH BOHEMIA

ŽATEC – THE HOME OF BEER

Motto for your visit: history – hops – beer – atmosphere

- Excellent beer has been brewed in Žatec for more than 700 years
- Top-quality hops have been grown here that are used for making beer of world-famous brands such as Budweiser Budvar, Pilsner Uquell, Žatec, etc.
- More than 100 Czech and foreign movies and commercials have been shot here (Les Misérables, Oliver Twist, Yentl, Edith Piaf, etc.)
- Five squares and 500 structures built in various architectural styles can be found in the city centre (Town Hall, Synagogue, Plague Pillar, etc.).
- You can visit mystical historical structures with unique atmospheres (Brewery, Hop-Growing Museum, Provost Temple, etc.)
